

The Brownsville Herald.

OFFICIAL COUNTY AND CITY JOURNAL
Jesse O. Wheeler, Proprietor.

Consolidated in 1893 with the Daily "Comet" which was published in Brownsville for sixteen years.

Entered at the Postoffice, Brownsville, Texas as second-class matter.

TUESDAY, AUGUST 27, 1907

BROWNSVILLE is now declared entirely free from its recent epidemic of dengue, and in a short while business will be more vigorous than ever down in that part of the "Big River" country. Refugio Review.

Business did not stop for a minute. Our crops—bumpers, too—just grew as rapidly as if the State Health Officer had never visited us.

ONE of the best news items published by THE HERALD for some time is the announcement that the contractor for the erection of the electric lighting plant and the waterworks believes he will complete the work within four months. It is possible that the clear, pure, crystal waters will be flowing through the mains on Christmas day. What a day of rejoicing it will be for Brownsville if the work is completed in time for the great Christian festival. The time limit for the completion of the work stipulated in the contract is March 1, 1908, which is about two months earlier than most of the citizens believed would be set as the date for the completion of the work. The aldermen are a unit in pushing the work through in a business like way and they have in the city attorney a gentleman who is carefully guarding the interests of the municipality in the matter of contracts and the preparation of the bonds. After the contract had been signed, the contractor astounded those present by declaring that by the use of machinery for the digging of ditches and a large percentage of skilled labor he would have the water running through the mains two months earlier than the contract stipulated.

HORSE THEFT.

Brownsville Man Charged With Stealing Horse From Mexico.

In Justice of the Peace Gavito's court this morning, Andres Zamora was charged with selling a horse to Jesus Abrego, which had been stolen from Matamoros. Abrego appeared as witness for the state and stated that he had purchased the horse from Zamora. The evidence showed that Zamora had made his mark on a bill of sale for two horses, but he stoutly denied having signed for more than one horse. He said Abrego made out the bill of sale and told him it was for one horse. The horse he sold Abrego was not the horse he was charged with stealing and of which he said he knew nothing.

It appeared from the evidence that the horse had been stolen first in Matamoros and then smuggled over to Brownsville, and that after the officers began to make enquiries it was taken away again and smuggled back across the river and is now in Matamoros.

Marcos Sanchez, deputy sheriff was the officer who made the arrest.

Judge Gavito held Zamora as defendant and Abrego as witness to appear before the next term of the District Court in the sum of \$250 dollars each.

WHY SO WEAK?

Kidney Troubles May be Sapping Your Life Away. Brownsville People Have Learned This Fact.

When a healthy man or woman begins to run down without apparent cause, becomes weak, languid, depressed, suffers backache, headache, dizzy spells and urinary disorders, look to the kidneys for the cause of it all. Keep the kidneys well and they will keep you well. Doan's Kidney Pills cure sick kidneys and keep them well.

J. P. Anderson, carpenter, living in the southern part of Corpus Christi, Texas, says: "My Kidneys have given me more or less trouble for the past two years. A sharp twinge of pain at times, darting through my back, loins and the secretions were too frequent and caused much annoyance, especially in the winter. My son saw Doan's Kidney Pills advertised and brought home a box. I used them and obtained great benefit. The action of the kidneys was corrected and my back has given me no trouble since. I can recommend Doan's Kidney Pills with pleasure."

Plenty more proof like this from Brownsville people. Call at J. L. Putegnat and Bro.'s drug store and ask what customers report.
